

**CLOUDIFY YOUR SOFTWARE SOLUTION!**

**ISC Cloud & BigData 2015**

Workshop "HPC Cloud Solutions for Manufacturing"  
**September 28, 2015 - Frankfurt, Germany**

## Cloudify your software solution!

# I4MS

Join our seminar and experience the benefits & convenience of implementing your simulation software solution onto a HPC-based cloud platform.

Learn how to easily deploy your software onto a HPC-based cloud and explore the benefits.

### Registration:

<http://www.isc-cloudbigdata.com/registration.html>

### Organizer:

Simulation for  
 manufacturing & engineering

## PROGRAM

Time	Topic
14:00	I4MS overview
14:20	CloudFlow Overview
14:40	CloudSME Overview
15:00	Fortissimo Overview
15:20	Experiments
16:00	Break
16:30	Fortissimo Marketplace
16:50	Hands-on CloudSME Application Service
17:10	Hands-on CloudFlow portal
17:30	Diskussion/Feedback
18:00	End

	Early Registration Ends August 19, 2015	Regular Registration
<b>Conference pass</b> (Sept. 29- Sept. 30)	495€	595€
<b>Workshop pass</b> (Sept. 28)	95€	145€
With purchase of the conference pass <b>Workshop one-day pass</b> (Sept. 28)	145€	195€

The Conference pass includes all conference sessions, exhibition, social event & catering. The Workshop passes include catering.
